

Educator Hours Report

The Educator Hours report provides the total amount of time (minutes) an educator has contributed to the DSME program whether through a group or 1:1 session. (*The Educator Hours can be added or updated through the DSME & Follow-Up section of the patient record or through the Education tab*). This report can be exported to an Excel spreadsheet.

Educator Hours Report : 10/14/2013 - 10/14/2014
