

Outstanding Achievement in Clinical Diabetes Research Award

Award Profile:

This award was established in 2015 to recognize individuals for outstanding contributions in patient-oriented clinical outcomes research having significant impact on diabetes prevention and treatment.

Criteria for Selection:

- Nominee's research must be patient-oriented, including clinical trials and outcomes research involving human subjects.
- Nominee is well-known nationally or internationally for exceptional clinical research knowledge and expertise.
- Nominee has outstanding track record of sharing his/her expertise with other health care professionals as documented by presentations and/or authorship of books /articles/reference materials
- Nominee is a current member of the Association's Professional Section.
- Both U.S. and non-U.S. residents are eligible for award.
- Contributions and volunteer service to both national and international diabetes organizations and the broader diabetes community may also be taken into consideration.

Lecture/Publication:

- There is no lecture associated with this award.

Honorarium/Travel/Registration:

- The recipient receives a \$3,000 honorarium
- Award includes two round-trip coach airfares and hotel accommodations for up to 5-nights and other travel related expenses.
- Award includes two complimentary registrations to the 77th Scientific Sessions in San Diego, California; June 9-13, 2017.

2017 Nomination/Submission Process:

- Nominations must be submitted using the new electronic nomination form. All submissions must be received on or before 8pm ET, August 26, 2016.
- Nominations are accepted from any professional member of the American Diabetes Association.

All Clinical Research in Diabetes Awards nominations must have the following documents uploaded as one .pdf file:

- Letter of nomination (no more than 400 words, signed by no more than 3 individuals)
- Nomination letter should address criteria for selection (above), the most significant clinical research accomplishments of the nominee, and the impact of these accomplishments on clinical practice/patient care and outcomes.
- Nominee's CV with career and publication highlights.

Questions? Contact Mary Merkin, Senior Manager, Scientific and Medical Division, by email at mmerkin@diabetes.org or call 703-517-2930; ext 1371.

Selection:

The recipient is chosen by the Medicine, Science, and Health Care Awards Committee and approved by the Executive Committee of the American Diabetes Association, February 2017.
