

Norbert Freinkel Award

Award Profile:

This lecture award is given in memory of Norbert Freinkel, a dedicated and insightful investigator, as well as gifted writer to honor a researcher who has made outstanding contributions to the field of diabetes and pregnancy.

Criteria for Selection:

- To recognize the outstanding contributions (including scientific publications and presentations) to the understanding and treatment of diabetes and pregnancy.
- Nominee will be recognized for national and/or international contributions to the field of diabetes in pregnancy.
- MD or PhD degree or equivalent.
- Both U.S. and non-U.S. residents are eligible for Award.
- Contributions as an American Diabetes Association volunteer and to the broader diabetes community may also be taken into consideration.

Lecture/Publication of Lecture:

- Recipient will deliver the Norbert Freinkel Award Lecture at the 84th Scientific Sessions June 21-24, 2024 in Orlando, FL.
- Offered the opportunity to publish lecture in an American Diabetes Association scientific journal.

Honorarium/Travel/Registration:

- The recipient receives a \$1,000 honorarium.
- Award includes reimbursable travel up to \$600 and one complimentary registration to the 84th Scientific Sessions June 21-24, 2024 in Orlando, FL.

Nomination/Submission Process:

- 2024 nominations must be submitted via emailing the nomination packet as a single .pdf document to InterestGroups@diabetes.org by 8:00 p.m. ET on September 15.
- Nominations are accepted from any professional member of the American Diabetes Association.
- Nominations from the membership of the Pregnancy & Reproductive Health Interest Group in particular are encouraged and will be solicited.

All Freinkel Award nominations must include the following documents:

- Letter of nomination (no more than 400 words), signed by no more than 3 individuals, will be accepted. Letter of nomination should address criteria for selection.
- Nominee's biography
- Nominee's CV with career and publication highlights, as well as documentation of teaching and mentorship.

Selection:

- The recipient is chosen by a selection committee comprised of the Pregnancy & Reproductive Health Interest Group Leadership Team. The selection committee will review and discuss all nominations and select the recipient on the basis of outstanding achievement in the field of diabetes and pregnancy.
- The selection process is reviewed and supported by the National Medicine, Science and Health Care Awards Committee. The nominee is approved by the Executive Committee of the American Diabetes Association.

Pregnancy and Reproductive Health Interest Group Leadership Team members as well as members of the ADA's Science, Medicine, and Health Care Awards Committee are not eligible during their term of service. The list of current Interest Group Leadership Team members can be found at professional.diabetes.org/InterestGroups. Nominees may not be current ADA national officers (ADA President of Medicine & Science and President of Health Care & Education) or have held one of these national officer position within the past three years.
