

**DiabetesPro<sup>®</sup>**

**You are invited to receive complimentary membership with the American Diabetes Association!**

As a current **Endocrine Fellow** in good standing, you are eligible for a complimentary membership during the term of your fellowship. For acceptance into this program, please send us your completed program application form with a letter from your Program Director by email ([membership@diabetes.org](mailto:membership@diabetes.org)), fax (703-637-0004) or mail to: American Diabetes Association, Professional Membership, Endocrine Fellow, 2451 Crystal Dr. Ste 900, Arlington, VA 22202 (**Endocrine Fellow is U.S. only**)

Are you already a professional member of the Association? We encourage you to apply now, and we will extend your current membership upon its expiration for one free year.

Please fill out the application form below in its entirety:
