

CLINICAL UPDATE CONFERENCE

HOUSTON, TX/HYBRID | FEBRUARY 6–8, 2026

2026 CUC Justification Letter Copy

Subject line if sending as an email: Attending the ADA's '26 Clinical Update Conference

Dear [Recipient's Name],

I am writing to request approval for my attendance at the [2026 Clinical Update Conference](#) (CUC) of the American Diabetes Association® (ADA). The conference will take place from February 6–8 at the Marriott Marquis Houston in Houston, Texas.

This three-day conference offers a unique blend of educational sessions, practical guidance from leading diabetes care experts, and the latest clinical practice recommendations. Attending this event is a great opportunity for me to stay on top of the newest developments in our field, ensuring our organization continues to lead with innovative and expert-driven diabetes care.

Every year, the CUC covers a diverse range of topics, including diabetes prevention, behavioral health, weight management, and other timely topics. Attendees are also part of the first in-depth discussion and gain exclusive insights on what's new in the annually updated *Standards of Care in Diabetes*—with an emphasis on application.

Here's what I believe we can gain from my attendance:

- **Engaging presentations:** These informative sessions will expand my knowledge on care application, keeping our organization at the forefront of advancements in diabetes care.
- **Interactive speaker sessions:** Engaging directly with experts will allow me to gain and share insights that could enhance our practice.
- **Networking opportunities:** Building connections with fellow health care professionals will help foster collaborations and expand our professional network.
- **Collaborative environment:** The conference is designed to encourage the sharing of ideas and collaborative learning, essential for fostering innovation in our field.

Additionally, if I register before December 11, we can benefit from the early bird discount. Here's a link to the [registration page](#) for more information about pricing and potential discounts.

Thank you for considering this opportunity. I am eager to bring back valuable insights and contribute even more effectively to our organization's goals through what I will learn at the CUC.

Sincerely,
