

Dear

You are invited to attend the 2026 Scientific Sessions of the American Diabetes Association® (ADA) to be held June 5 – 8, 2026 in New Orleans, Louisiana.

If you are involved in diabetes research or the delivery of diabetes care and services, don't miss the chance to join your colleagues at the world's largest and most prestigious diabetes meeting. The comprehensive programming and stimulating atmosphere of the 2026 Scientific Sessions provides cutting-edge education and information for all members of the diabetes community—physicians, scientists, nurses, nurse practitioners, dietitians, pharmacists, podiatrists, psychologists, and other health care professionals.

Lock in your registration for the 2026 Scientific Sessions at professional.diabetes.org/scientific-sessions. This letter is not a confirmation of attendance. A separate confirmation letter will be sent after you have registered for the meeting. Please note that the ADA is not able to assist you financially in any way and you will be responsible for your own travel expenses that include airfare, ground transportation, hotel, meals, and travel insurance. Also, keep in mind that translation services are not provided for the sessions and all materials will be in English only.

If you have further questions, please email me at conventionoperations@diabetes.org.

Sincerely,

Callie McCleary
