

Dear

You are invited to attend the 2026 Clinical Update Conference of the American Diabetes Association® (ADA) to be held February 6 – 8, 2026 in Houston, Texas.

If you are involved in the delivery of diabetes care and services, don't miss the chance to join your colleagues at this educational and collaborative meeting. The comprehensive programming of the Clinical Update Conference provides cutting-edge information for all members of the diabetes community—physicians, scientists, nurses, nurse practitioners, dietitians, pharmacists, podiatrists, psychologists, and other health care professionals.

Lock in your registration for the Clinical Update Conference at professional.diabetes.org/clinical-update-conference. This letter is not a confirmation of attendance. A separate confirmation letter will be sent after you have registered for the meeting. Please note that the ADA is not able to assist you financially in any way and you will be responsible for your own travel expenses that include airfare, ground transportation, hotel, meals, and travel insurance. Also, keep in mind that translation services are not provided for the sessions and all materials will be in English only.

If you have further questions, please email me at conventionoperations@diabetes.org.

Sincerely,

A handwritten signature in black ink that reads 'Callie McCleary'.
